TO WHOM IT MAY CONCERN

With the support of the Pastoralist Knowledge Hub, hosted by FAO-AGA division, Yurta Association had successfully completed a series of ten Community Dialogues among yak herder communities in some of the High Mountain Region countries of Central Asia during 2016 and 2017.

The agreement with Yurta Association aimed to initiate the further establishment of a World Yak Herder Association with the support of other Central Asia regional institutions interested in this Initiative.

Yours Sincerely,
